## A NOTE FROM THE CAMPOS FAMILY

2024 was a historic year for Self-Evident Ministries. We saw huge growth in so many areas and we could not be more thankful to God and to those who supported us. We are grateful for your prayers, your time, your donations, and your love.

**2025, here we come!**

# MORE 2024 HIGHLIGHTS

## CHURCH LIBERATED

We have been working hard on the final stages of editing and printing our newest book - CHURCH LIBERATED! We are so excited to announce that it will be officially available December 2024. Every Christian should read this book!

## NO KING BUT JESUS

This year we released our “No King but Jesus” long and short sleeve tshirts to our merch line. This design almost immediately became our top seller and one of our most popular merch items ever. Pick one up at our next event or on our website today!

## SELF-EVIDENT PODCAST

One of our favorite parts of SEM is the Self-Evident Podcast. In 2024, we went from a twice weekly show to a daily show! We've had opportunities to interview some truly amazing people and discuss a huge range of topics. Check out the podcast on YouTube and join the conversation!

# 2024 TESTIMONIES

"I just met you at the homeschool conference. You have been a blessing and God truly speaks through you. I want to thank you for praying for that family for me, I just about started crying right there. I can say that God is using you to bring about a change in people's lives, including mine. I feel called by God to serve, and I didn't want to, but as you said, "we're a living sacrifice and nothing matters if there isn't Jesus in it." God bless you and your ministry."

"Thank you so much for all you have done and sacrificed for me and my generation! This card is my attempt to say in words how much you have done to strengthen my faith in Christ. I look forward to this conference every year because I am emboldened to share the gospel with others."

"Even though you've only been here a few days you have greatly impacted my relationship with God. I very much enjoyed the way you talked to us all, the way you explained, and especially the way you proved to so many people here that God is real and that He's here with them. I hope to see and listen to you again."

# 2025 VISION

## MENTORSHIP PROGRAM

We are SO excited to announce that Self-Evident is currently developing a mentorship program that will be opening for participation in 2025! This program will be a 15 week online program for youth ages 15-20. Topics will cover American history and government understanding, Biblical masculinity and/or femininity, and social/current issues taught from a Biblical perspective. Our goal is to teach and disciple the next generation not only about government and it's function, but how to be a moral and Godly "We the People".

# 2025 VISION

## ONLINE CURRICULUM

Our online curriculums have been consistently popular among youth and families. In 2025, we will be updating our Constitution Course for a national online high school to use as a part of their American History Course!

## SOCIAL MEDIA

One of our biggest growth areas in 2024 was our social media engagement. In 2025, we plan to focus on promoting educational ads targeted to grow our audience and create more personal educational content.

# 2025 VISION

## CHURCH PROGRAMS

Self-Evident connects with churches all over the United States who see the need to get involved, but don't know how to do it. We are currently in the early stages of developing a program specifically for the local church that will help outline practical steps that congregants can take to effect change in their local government and beyond.
