TESTIMONIES + HIGHLIGHTS

OHIO - JULY 2026

“Brother, I want you to know you made an impact on my life and my walk! The shame I’ve carried for years has been so so heavy but by you being obedient to HIS voice lets me know and gives me inspiration to lay it as His feet and not pick it back up this time. You are anointed Brother!!!

OHIO - APRIL 2026

We heard Massey speak at the Great Homeschool Convention several years ago. We met up with him in the hallway afterwards and were chatting when a young man interrupted us to say, he needed to get saved. Immediately, Massey grabbed his shoulder and mine and led this young man through the plan of salvation and we prayed over this young man together. It was wild!!!

NEW ONLINE LEADERSHIP & DISCIPLESHIP COURSES

For years, Massey has wanted to create a discipleship program that helps men grow in their faith, leadership, and identity in Christ while also giving them the opportunity to continue with personal, one-on-one mentorship after the initial 16 weeks.

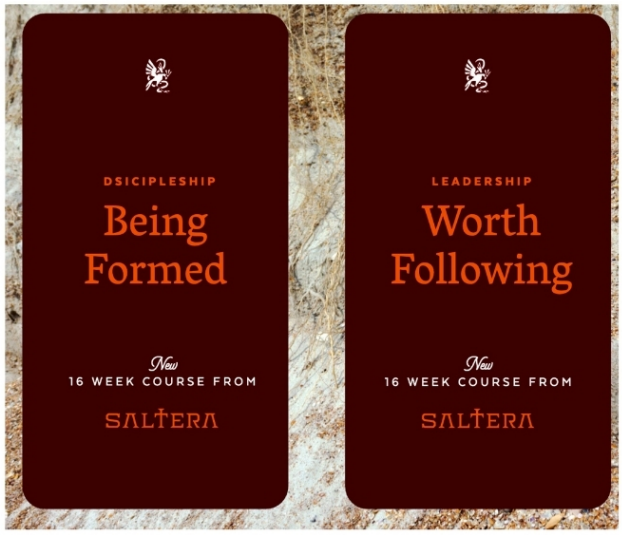

He has long believed the lack of intentional discipleship is one of the greatest reasons so many struggle in their walk with God, find themselves continually falling short, feeling like failures, or many simply lack a clear understanding of what it looks like to live out their faith with purpose, confidence, and victory.

Both courses begin in January, with limited spots available in each group.

16 WEEK ONLINE COURSES

BEING FORMED & WORTH FOLLOWING
Discipleship Courses

BEING FORMED:

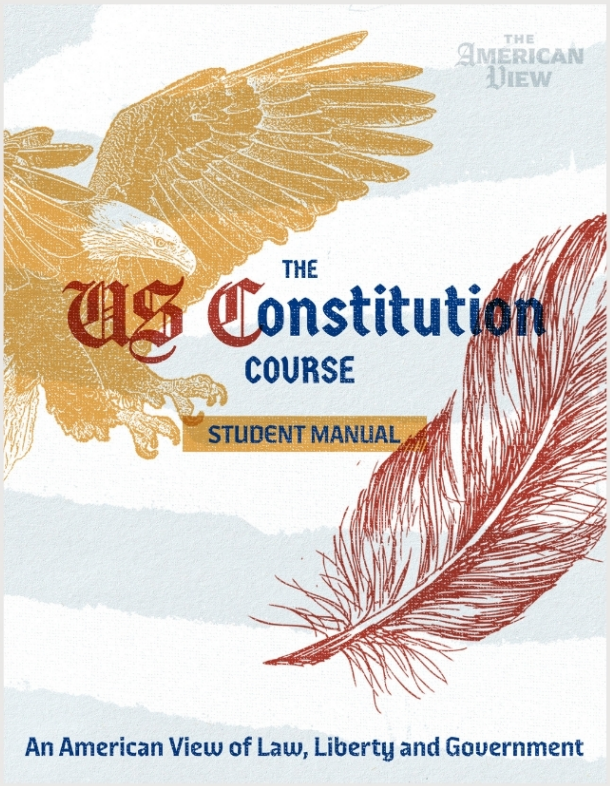

Becoming the Person God Can Trust With More

BEING FORMED is a 16-week discipleship journey designed for any man seeking to be a good husband, father, Christian, and provider — especially when it feels like he's falling short in all four areas. Each week combines a real story from my own life with what Scripture truly teaches about it: identity, shame, sexual integrity, marriage, burnout, and legacy, among other topics. FORMED can be completed individually or experienced with a group, and its purpose is to transform you from the inside out — not just give you more information.

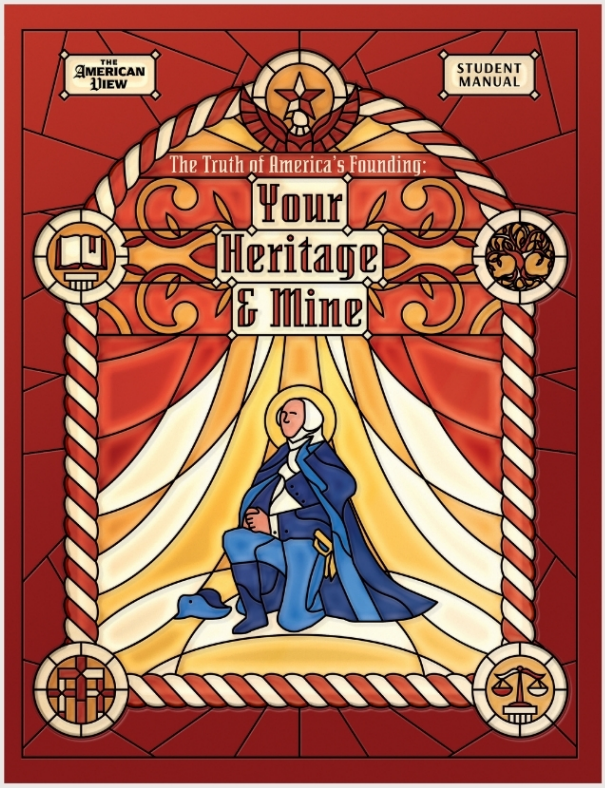

WORTH FOLLOWING:

A Leadership Course for the Person Carrying Others

WORTH FOLLOWING is a 16-week course designed specifically for people leading others — whether that's a team, a ministry, a business, or a family entrusted to your care. It walks through four movements: leading yourself, leading people, leading a team, and leading forward. Like BEING FORMED, every chapter begins with a real story and anchors it in Scripture, but the focus here is on trust, authority, correction, delegation, and decision-making — the unique weight of being responsible for other people's development, not just your own. It's designed to be experienced live, in a cohort, with genuine accountability and meaningful conversation throughout the journey.

A 12-Week U.S.Constitution Course

A 4-Part Study on America's Heritage

HISTORICAL & GOVERNMENT COURSES

THIS PAST YEAR, SELF-EVIDENT WAS ABLE TO PRESENT THE AMERICAN VIEW COURSES WITH TARGETED ONLINE MARKETING

Our goal was to place meaningful constitutional education before thousands of Americans during this historic anniversary year. Through carefully targeted outreach, we believe we can reach individuals and families who are actively seeking educational resources that help them better understand the foundations of our nation.

THE AMERICAN VIEW

FORWARD TO 2027

2027 is already filling up, and we are excited to see God opening doors to minister in places and venues we haven't experienced in the last 11 years!

We will continue ministering in churches, schools, homeschool conventions, and community groups across the country. **But in 2027, God is opening some incredible new doors for Massey to speak at men's conferences nationwide.** The timing couldn't be better! As we launch our new men's discipleship courses, God is also creating opportunities to reach and challenge men through these conferences. We believe He is bringing these opportunities together for a great purpose in our nation and we are excited to see what He has planned.

Along with these opportunities, Massey has developed a powerful new message specifically for youth groups and youth conferences. This message is empowering young people to embrace the incredible love of God, pursue holiness, understand who they are in Christ, and have the courage to stand boldly for Him in an increasingly dark world.

We believe 2027 is going to be a significant year of ministry, and we are grateful for every door God is opening and immensely grateful for your generous support to continue pursuing this mission.

Please join us in praying for God to touch lives, set people free, and turn the hearts of Americans back to Him!
